### Summary of reasons for decision:

‘AF8FE256-0418-4F4F-A760-807CAA41976D’ is filmed in a Middle Eastern location and depicts a Humvee being blown up by an explosive dropped from a building by a man. The video is filmed from a distance and is observational in effect given brevity of the footage and the lack of context. The Classification Office considers that the video does not deal with violence or crime to an extent or degree or in a manner that renders its unrestricted availability likely to be injurious to the public good and it is therefore classified as unrestricted. This classification is consistent with the right to freedom of expression as provided by the New Zealand Bill of Rights Act 1990.
